## **A NEW YEAR'S CHALLENGE**

If there was a bank that credits your account each morning with \$86,400 and carries over no balance from day to day and every evening deletes whatever part of the balance you failed to use during the day, what would you do? Draw out ALL OF IT, of course!

Each of us has such a bank. Its name is TIME. Every morning, it credits you with 86,400 seconds. Every night it writes off as lost whatever of this you have failed to invest to good purpose. It carries over no balance. It allows no overdraft.

Each day it opens a new account for you. Each night it burns the remains of the day. If you fail to use the day's deposits the loss is yours.

There is no going back. There is no drawing against the tomorrow. You must live in the present on today's deposits. Invest it so as to get from it the utmost in health, happiness, and success! The clock is running! **MAKE THE MOST OF TODAY!**

**HAVE A GREAT NEW YEAR SERVING THE LORD!**

## **A SENTENCE SERMON**

***"IF YOU DON'T LIKE THE WAY YOU WERE BORN, TRY BEING BORN AGAIN."***

## **A VERY SPECIAL "THANK YOU"**

Thanks to all our seniors who helped through the visiting in homes of our homebound or those who have limited mobility and shared a Christmas card and gift from Crossroads. Your labor of love was greatly appreciated. -- Wayne

## KEEP THESE NEEDS ON YOUR PRAYER LIST

As you must surely know, Pastor Lee has resigned his position at CCC to accept a leadership position with Mentor Leaders-- a ministry meeting the physical and spiritual needs of those living in countries around the world. The Keele family will be moving to Tennessee at the close of the school year. Please pray for them along with our church and elders as we move through these days of transition to the glory of God.

## NOAH'S ARK

Since last November, for some of us, Noah's Ark is still on our minds. An unknown author wrote these thoughts titled *Everything I Need to Know from Noah's Ark...* (1) Don't miss the boat. (2) Remember that we are all in the same boat. (3) Plan ahead. It wasn't raining when Noah built the Ark. (4) Stay fit. When you're 60 years old, someone may ask you to do something really big. (5) Don't listen to critics; just get on with the job that needs to be done. (6) Build your future on high ground. (7) For safety's sake, travel in pairs. (8) Speed isn't always an advantage. The snails were on board with the cheetahs. (9) When you're stressed, float a while. (10) Remember, the Ark was built by amateurs; the Titanic by professionals. (11) No matter the storm, when you are with God, there's always a rainbow waiting. -- copied
