

2021 Prayer and Fasting Guide

Throughout this time of prayer and fasting, we are asking you to pray through your circles of influence beginning with some time of self-reflection and repentance. Fasting is a great way to grow closer to God and in our dependence upon Him. There are many ways to engage a fast. The most typical fast is to fast from food, but other things like electronics or social media can also be beneficial. If you have questions, please feel free to call any of our staff and we would be happy to help.
