

# The Purpose of CRave Ministries

## Our Vision

CRave Student Ministries is a youth ministry dedicated to forming and shaping students who are Disciples of Jesus. Our purpose is to walk with students as they: **ENCOUNTER** God, are **EQUIPPED** for ministry and empowered to **ENGAGE** their world, in the name of Jesus Christ.

## Our Identity:

**Ephesians 3:16-19**

## Our Hope:

**Hebrews 9:28**

## Our Challenge:

**Timothy 5:12**

Raise UP a Generation ...

When it comes to making disciples we believe in helping students love God with all of who they are. This involves teaching and ministering to their:

**HEART**

**SOUL (IDENTITY)**

**MIND**

**STRENGTH**

And then we walk in ministry with them as they learn to love others the way

Jesus did.

# Programs

Our programs are purposefully layered. The reason for this is to ensure that our ministry is intentionally aimed at students who are all at different levels of spiritual formation.

## CRaze WORSHIP

EVERY Wednesday Night 6:45 - 8:00PM

This is our “front porch” ministry program. What that means for you is that this is the program you want to bring your friends to. We make an effort to make Wednesday night an environment where your friends can feel loved and welcomed. This requires that CRave students come prepared to minister to their friends. The music will be fun and loud. There will be snacks, a Christ-centered message.

## Circle Groups

SUNDAY NIGHTS DURING THE SCHOOL YEAR

6:00 - 8:00pm

This is our “living room” ministry program. This ministry is aimed at students who are comfortable with our community and are looking for a place where they can grow in relationships with other students and with God. These groups are divided by gender and age (middle / high school). This time consists of a meal, worship, a group lesson, and small group time.

## CROSS TRAINING

EVERY SUNDAY MORNING 11:00am - 11:45am

This is our “study room” ministry program. This time every week is set aside for students who want to grow in their knowledge and understanding of the Bible and how it fits into our daily lives. This is a classroom setting and is designed to challenge our students to “work out their faith with fear and trembling”.
